CTAA 2019: DRIVER MANAGER TESTIMONIALS

JENNIFER EUREK - NATP EXECUTIVE DIRECTOR

As I attended my first national Roadeo, my head was on swivel as I was trying to take everything in. I appreciated my time as a judge, it was different being on that side versus the many tasks I do during the NATP Roadeo. Being a cheerleader for our amazing drivers who competed, was a highlight of the day. I enjoyed the time spent with the drivers

and managers who were able to attend. This is always a great opportunity for our Nebraska members to get to know each other better. It is also a great opportunity to meet with our counterparts from other states, discuss ideas and problems, and develop a large network of resources. CTAA did a superb job of providing great learning and networking opportunities.

I look forward to seeing many of you in Kearney at the NATP Roadeo next month.

CAROL GRAHAM - BLUE RIVERS AREA AGENCY ON AGING

Thank you for the opportunity to participate in the National Roadeo in Palm Springs California!

We had an amazing group of people from Nebraska! I enjoyed getting to know them better and learning from them.

My Roadeo team leader was Jane from New Jersey. She was very friendly and knowledgeable and kept the day running smoothly. My team members were from all over the country...North Dakota, Michigan, Washington and local from Palm Springs. Despite coming from such different areas and systems everyone had common issues and goals.

The day before the Roadeo, I attended a short refresher course on wheelchair securement. It's nice to be able to ask questions and learn from the pros.

Thanks again for a great experience!

NATP PRESIDENT'S MESSAGE

Hello Transit Friends,

Today's newsletter is particularly interesting because it is filled with drivers' and managers' testimonials of the experiences they enjoyed at the CTAA Rodeo and Expo. And speaking of Rodeos, remember to save the dates of Aug 20 and 21 when NATP will be hosting the 2019 Rodeo and driver training in Kearney. This year's scholarship winners will travel to Louisville, Kentucky for the national CTAA event in 2020.

I especially encourage all managers to register and attend the Midwest/Southwest Transit Conference in Kansas City September 11-13. During the conference NATP will hold its annual meeting and elect three members to the Board of Directors, so confer now with anyone you would like to nominate. It is important to have a strong representation of our members at these meetings, so plan your schedule early. In addition to NATP business, you will benefit by receiving updates from FTA, NDOT and CTAA leaders and a great line up of speakers and breakout sessions to share innovative ideas and best practices on a variety of topics. To find out more details and to register, go to cvent.me/8WX9E.

Now, a big thank you to Connie Trautwein, who retired from NDOT. Connie handled monthly invoices and was always willing to help make sure we provided the proper documentation and answer our questions. She is also a big Husker fan. We wish you well, Connie. Enjoy your retirement and GBR!

Until next time, safe travels everybody.

Scott Bartels
President

MARVIN BADEN - BLUE RIVERS AREA AGENCY ON AGING

I want to thank NAPT and NDOT for giving me the opportunity to participate in the 2019 National Rodeo. Overall it was a rewarding experience. Talking to other drivers from other areas of the country about the differences and similarities of our transportation systems.

The competition was challenging, and I found some areas that I could improve my driving skills. It would be fun to drive the competition a second time after I had become familiar with the vehicle I drove.

Palm Springs was a fun place to visit. Had an enjoyable breakfast at Sherman's sidewalk cafe. Met a gentleman from Canada working at an ice cream shop. Spent a day at Joshua Tree National Park.

TERRI BARRY - CAMELOT TRANSPORTATION

The 2019 CTAA conference in Palm Springs was a success. I went to workshops and learned some new ideas for hiring and marketing for Camelot Transportation Inc. Some valuable information I received was where and how to advertise for job listings. A few interesting key topics were: If an applicant cannot complete a job application in 5 minutes they are not coming back to complete the application and the applicant needs to be able to submit that application from the mobile device. For marketing, we should send out an electronic newsletter to our current and also new clients. We have magnets for the outside of the vans for advertising that we are hiring, but the workshop said we should also have them inside the vans. Another good idea I learned was to create a short 2-minute video of one of our drivers explaining the job and how much they enjoy it then we can display this on social media.

I enjoyed the Trade Fair as well, seeing different software programs and bringing the information back to further reach out to the different vendors. This will keep me busy for the next several months.

The Desert Adventure and Big Night were also a fun time!

TAMMY BRADLEY-LARSEN - FLORENCE HOME HEALTHCARE CENTER

Thank you again for the opportunity to attend the Expo and Trade Fair at this year's CTAA Expo.

This was the first year that I ever attended the CTAA Expo and National Rodeo. It was an amazing experience! I was able to network with a lot of new contacts that I normally never would've met. The trade fair was incredible with so many different vendors. I learned a great deal about all the different software available for onboard transporting. There were so many classes and learning opportunities offered throughout the week. Everyone was so helpful and inviting! As a new person to this event it was a little overwhelming at first, but so many helped me navigate all the options that were offered. The Big Night Out was so much fun!!

The National Rodeo was also very well put together. This was the first year for my driver, and everyone helped calm her nerves quite a bit. It was organized so that all the testing wasn't just thrown at the drivers at once. It was nice that they had a little time to breathe between each element of the Rodeo. The driving portion of the event went really well, and everyone showed excellent teamwork. All the drivers and judges were very supportive of each other. It was nice to see so many seasoned national drivers help the new drivers.

I really appreciated the whole event!!!

CTAA 2019: DRIVER MANAGER TESTIMONIALS CONTINUED...

MINDY MANNING - FLORENCE HOME HEALTHCARE CENTER

At this year's national Roadeo in Palm Springs, I learned that no matter how confident or comfortable you are driving that things can change in an instant. I also relearned the Qstraint locking system, which was very useful. I really enjoyed myself and learned a lot just talking with other drivers from different cities. It was an indescribable event. I am truly grateful for the experience.

RAMONA DANIELS - SALINE COUNTY AREA TRANSIT

As a driver representing Saline County Area Transit at the CTAA Roadeo, I wish to thank NATP for the scholarship and CTAA for this great opportunity. I think these organizations providing such worthwhile opportunities to us drivers needs to be applauded.

The Passenger Assistance class was very beneficial to me. Learning about the newest styles of wheelchair securement in this class will make it more familiar if the vehicle I drive in the future is supplied with these. I learned the correct way to secure a solid sided wheelchair, so in the future I will have more confidence that I am keeping my passengers as safe as I possibly can whatever style of mobility devices they use.

The obstacle course portion of the competition makes me more aware of where my vehicle is in relationship to other vehicles, curbs, and lanes of traffic. When I am driving my routes, I visualize more what is around me.

I enjoyed meeting drivers from other states. They are so supportive of each other. Listening to them reconnect with each other since the previous year's competition as true friends shows these drivers are truly compassionate, caring people.

RODNEY KINNING - AVERA CREIGHTON HOSPITAL TRANSPORTATION

It was a good experience attending the CTAA National Roadeo in Palm Springs, California. I benefited most from the demonstration on securing wheel chairs and learning the proper methods when preparing a rider for lift operations. It was great to meet and network with some of the best drivers from across the nation.

SCOTT BARTELS - SALINE COUNTY AREA TRANSIT

First, I want to thank NATP and all the volunteers that plan, organize, coordinate, judge and support the NATP Roadeo. Thanks also to NATP and NDOT for sponsoring scholarships to the CTAA Roadeo and Expo.

Then, I especially want to thank and give kudos to my driver, Ramona Daniels, for having the courage to step outside of her comfort zone and challenge herself to continually improve and sharpen her knowledge and driving skills. It was a pleasure and honor to accompany Ramona to her first national Roadeo. While there were many great sessions to select from, the most useful for my transit dealt with service design/redesign and how that ties into public health services and economic development for employment centers. But for me, the most interesting session of the conference took place when I was invited by Government Accountability Office staff to participate in a small round table discussion. There were only a few directors from Colorado, Iowa and Nebraska and it was an opportunity to share and listen to what is right and working well in public transit as well as issues that present both challenges and opportunities. We discussed topics ranging from right sized and properly equipped vehicles to non-emergency medical transportation and various regulations affecting transit. I am always impressed with the amount of knowledge and resources that are available to all of us when we can network with others.

continued on next page...

SHARON MENKE - CRANE PUBLIC TRANSIT

I would like to thank NDOT for allowing me the opportunity to attend the Palm Springs Roadeo. Once again it was totally awesome helping with the judging. It's amazing how the drivers can maneuver around the cones, etc. plus completing in the least amount of time.

For the workshops, I focused on People Power. To focus on HR, recruitments, management of human assets and making future strategic plans. Transportation needs and the solutions has become a key factor in the decision-making process awareness on Americans with disability Act (ADA).

We had some free time, so I took advantage by visiting the Joshua's Forest & rode on the Ariel Tram.

ZOE OLSON - BLUE RIVERS AREA AGENCY ON AGING

As a first-time attendee to the Roadeo (standing in for our agency's Transit Manager I was impressed by the enthusiasm and professionalism exhibited by those conducting the Roadeo. It was immediately evident and continued to be reinforced throughout the event, that driver safety training is critical to providing great service to our transit riders.

I found the courses and testing areas to be meticulously designed and I appreciated being able to help judge the competition. Our agency had two drivers representing Nebraska and I was proud of their demonstration of skill and ability. Being a judge afforded me the opportunity to focus more attention on areas that most drivers from all regions found more difficult.

The intensive Marketing training I attended was very well presented and the sharing between organizations represented was invaluable.

It was a great experience and I appreciate the opportunity to have participated.

NDOT INVOICE CHANGES BEGINNING JULY 1, 2019

Starting with your July 2019 invoices, there have been two changes requested by NDOT.

Report only the miles traveled while the vehicle is in revenue service. Deadhead time at the beginning and end of a shift, driving the vehicle to the shop for maintenance, etc., is not considered revenue service. If you have been reporting miles based solely on an odometer, reading you have not been reporting correctly.

You will no longer see the % of time column on worksheets 2A and 3A. If you have any employees splitting their time between transit and other unrelated duties, these employees will have to keep a daily timesheet (either electronic or paper copy to track hours charged to the project. Based on your timesheets, request reimbursement for the actual time these employees worked in transit per month. Timesheet documentation will be requested during desktop audit reviews. This change is made to comply with federal regulations.

2019 MEMBERSHIP RENEWALS

Renewals for the 2019-2020 NATP membership year have been mailed. Contact the NATP office if you did not received your renewal notice. NATP works hard to promote professionalism in public transportation operators through research, advocacy and educational opportunities. The association also works to educate the public about the importance of public transportation in Nebraska.

Per the CTAA website, the National Community Transportation Rodeo is the only national venue to honor and celebrate the value of rural and community transit operators, the backbone of the Community Transportation industry. This exciting event draws drivers from around the country to compete for top scores on a course that tests skills on every level of the drivers' abilities, with a primary focus on safe operations and passenger sensitivity.

Nebraska had six drivers compete this year – three in each of the two divisions.

Minivan Division:

Mindy Manning, Florence Home Healthcare Center
Ramona Daniels, Saline County Area Transit
Rod Kinning, Avera Creighton Hospital

Body on Chassis Division:

Marvin Baden, Blue Rivers Area Agency on Aging
Diane Schaepe, Seward County Public Transit
Carol Graham, Blue Rivers Area Agency on Aging;

All our drivers placed well among the competition. Mindy Manning of Florence Home Healthcare Center, who finished first at the NATP Rodeo, finished in the top ten of the minivan division.

The 2020 CTAA Rodeo and Expo will take place in Louisville, Kentucky.

NATP ANNUAL MEETING NOTICE

NATP will host its Annual Membership Meeting on Wednesday, September 11, 2019 at 11:30 a.m. The meeting will be held at the InterContinental Kansas City at the Plaza in Kansas City, Missouri, during the Midwest/SW Transit Conference.

Regular business will be conducted including elections for the West Central and East Central regions and one at-large position.

NOMINATIONS BEING ACCEPTED FOR NATP BOARD OF DIRECTORS

One transportation provider shall be elected from each of the following regions and one at-large position at the 2019 NATP Annual Meeting. A transportation provider is defined as a public transit operator operating one or more vehicles.

The west central region includes these counties: Blaine, Brown, Buffalo, Cherry, Custer, Dawson, Franklin, Frontier, Furnas, Garfield, Gosper, Greeley, Harlan, Hayes, Hitchcock, Holt, Hooker, Howard, Kearney, Keya Paha, Lincoln, Logan, Loup, McPherson, Phelps, Red Willow, Rock, Sherman, Thomas, Valley, and Wheeler.

The east central region includes these counties: Adams, Antelope, Boone, Boyd, Butler, Cedar, Clay, Colfax, Fillmore, Hall, Hamilton, Knox, Madison, Merrick, Nance, Nuckolls, Pierce, Platte, Polk, Seward, Stanton, Webster, and York.

The duties of the Board of Directors shall be to represent the best interests of the Association's membership, and to promote the Association's goals and purposes.

The NATP Board typically meets four times a year. Meetings are held in conjunction with a NATP event if possible; otherwise, meet via conference call for those not able to attend in-person. Meeting typically last about two hours depending on the agenda items needing discussion.

If you are interested in serving on the Board of Directors send an email with your nomination and a short bio to the NATP office at jennifer@youraam.com by July 31, 2019.

Please consider serving on the Board yourself or talk with a colleague to encourage them to submit a nomination by July 31st.

Information about the nominees will be sent to the membership by August 31st for review prior to the election at the Annual Meeting.

Upcoming Events

Midwest/SW Transit Conference
September 11-13, 2019
Kansas City

This year NATP has partnered with ten other states to present the Midwest/SW Transit Conference in Kansas City. It will be held September 11-13, 2019. NATP has done this multi-state conference twice before in

2013 and 2016. It will be a great opportunity for education and networking with vendors and fellow transit programs.

This will take the place of the Manager's Conference that would normally would have taken place in June. We will hold the NATP Annual Meeting on Wednesday, September 11, 2019 as part of the Midwest/SW Transit Conference.

Early registration pricing ends July 31st.

Register and make hotel reservations – these are now available at <https://cvent.me/8WX9E>.

The website will continually be updated between now and September as session descriptions are added and vendor information becomes available. Check back often!

2019 Rodeo & Training
August 20-21, 2019
Kearney

The annual NATP Rodeo and Training will be held August 20 and 21 in Kearney.

On Tuesday, August 20, a driver's training will be held at the Holiday Inn Conference Center. The training will include refresher and elective courses. Directly after the training, the Rodeo driver testing and judge's orientation will be held at the conference center.

The Rodeo will be held on Wednesday, August 21 at the Nebraska Safety Center with an awards luncheon following.

Registration and additional details are available on the registration form at the end of this newsletter and on neatp.org.

JOIN US IN KEARNEY!

You are invited to attend the 2019 NATP Annual Drivers Training & Statewide Rodeo Competition!

The all-day drivers training will be held Tuesday, August 20 at the Holiday Inn Convention Center. This year's training will help drivers meet their continuing education requirements. Courses include a PASS Refresher, Defensive Driving Refresher and a new course on Child Passenger Safety. This training and lunch are provided at no cost to attendees.

Registration for the Driver's Training needs to be completed at www.nebraskatransit.com.

The NATP 27th Annual Statewide Rodeo will be held on Wednesday, August 21. This year's theme is Rock n' Roll! A Spirit Award will be given for the best rock n' roll themed costume!

There are four components of competition at the Rodeo; a written test, pre-trip inspection, wheelchair securement, and driving the obstacle course.

Complete rules will be emailed before the competition. To be eligible for a full scholarship to the National CTAA Rodeo, drivers must spend at least 50% of their time driving for their transit system. Individuals may not receive scholarships for more than two consecutive years. The fee to compete is \$50.

The Rodeo is an outside event - please bring a lawn chair. Snacks and drinks will be provided. An appreciation BBQ will be held at 2:30 p.m. following the Rodeo. There is no cost for the BBQ and everyone is invited to attend, even if you don't compete in the Rodeo.

The 1st place winners from each division (mini-van & small bus) will win \$250; 2nd place winners will receive \$150; and 3rd place will win \$100. First and second place winners from the two divisions will earn a scholarship to compete at the National CTAA Rodeo in Louisville, Kentucky, May 31 – June 4, 2020. The winning drivers' managers will also earn a scholarship to attend the EXPO! If you have a driver competing, we ask that you provide a volunteer to judge. This is not required but suggested. We hope to see you in Kearney!
