# Corona Guard™ Protection Shields

Protection Shields are a great way to protect people that need to be closer than social distancing guidelines allow.

We have a variety of styles to cover your needs. Whether it's something you need to move easily or if you desire a more permanent solution, we have it!

## All protective shields are:

- Crystal clear
- Lightweight
- Easy to clean
- Simple to install
- Shatter resistant

**Select your pane based off the look you want**

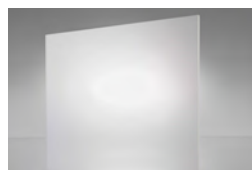

### Economy White

SKU PP/PVC

### Transparent Thermoclear Fluted

SKU MWALL

### Translucent Frosted Acrylic

SKU AFST

*Recommend Cleaning: Soap & Water*

# Corona Guard™ Personal Partitions

Personal Partitions are designed to act as table dividers for cafeterias, break rooms, and restaurants. In small areas, social distancing is difficult to practice. With their interlocking design, they are easy to assemble, can evenly divide a table and remain upright without extra hardware. They are made of plastic materials that are completely clear and won't obscure or impede vision in any way, and can help bring back a sense of normalcy by allowing face-to-face interactions over mealtimes or small meetings.

Portable divider walls are available as complete kits that consist of a main divider and one or more side dividers — slide them together via their interlocking slots to form the portable divider wall. Depending on the selected size, one or more side dividers come in the system. For systems with more than 2 sheets, a cap will be included for each section to increase stability. Each design creates a personal space approximately 24" X 30".

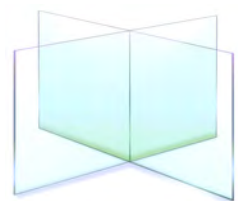

## Corona Guard™ 4 Person Table Top

### Style 1 (Square Table)

- Fits diagonally on a 48" X 48" square table
- 2 pcs cut interlock 59"Wide X 24" Tall

# Corona Guard™ Signage & Floor Graphics

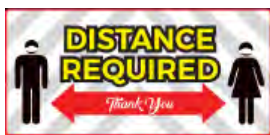

Polymershapes can design and print graphics to help promote social distancing in your facilities and businesses. These adhesive floor graphics are printed on a nonslip, floor graphic certified material, and can be produced with a standard design or your own custom branding.

Ideal for use in checkout lanes or anywhere people would normally queue or line up for service. The product can also be used to close off tables ensuring adequate spacing or direct customers to face apart in narrow environments to reduce close contact.

## Floor Graphics

- Pre-cut, Printable & Pre-printed (with anti-slip varnish)
- Floor Graphics with Adhesive

### Pre-Printed – 3 Choices // 6" X 18" Sticker Sizes
